

ST. NORBERT ABBEY

In the Fall of 2018, St. Norbert Abbey contracted with a third-party independent organization to review personnel files related to accusations of sexual abuse of minors. These are the credible accusations made against Norbertines from the canonry of St. Norbert Abbey.

The first edition of this list was compiled on July 19, 2019. The process will continue and be updated as needed.

Credible Allegations

These are allegations where there is certainty that the accusation is true and that an incident of sexual abuse of a minor has occurred.
